Helping our community!

DISTRIBUTION HAS STARTED

You never know where God will have you at in ministry and in life. At the moment we are packing food to serve the hurting and needy in our community. I posted on Facebook yesterday that we were starting to do this massive effort of supporting people in our community. Some of you have already starting donating toward this and it has allowed us to move forward quickly. Dominic and I went yesterday to the backwoods of nowhere and started picking up 200 lb sacks of corn, potatoes, carrots, beans and rice. Today Laura and the girls started dividing it up into 2lb bags. After lunch today we began giving it out to 6 widows. We are so thankful to be able to help in this way at this time. It is an amazing time for the church of Jesus Christ to be His hands and feet in loving our neighbors.

PLEASE CONTINUE TO PRAY FOR US AS WE PRAY FOR YOU
